City of Gold Coast Libraries are proud to present TEDxHelensvaleLibrary. The event features a variety of speakers who promote thought-provoking discussion on wide-ranging topics relevant to our community. For our inaugural year the theme is Make it, through building communities and facing adversity our ever changing city is what we make it.

In the spirit of ideas worth spreading, TEDx is a program of local, self-organised events that bring people together to share a TED-like experience. At a TEDx event, TEDTalks video and live speakers combine to spark deep discussion and connection in a small group. These local, self-organised events are branded TEDx, where x = independently organised TED event. The TED Conference provides general guidance for the TEDx program, but individual TEDx events are self-organised (subject to certain rules and regulations).
